

№ 74/14313

The Consulate General of Georgia in Istanbul presents its compliments to the Permanent International Secretariat of the Organization of the Black Sea Economic Cooperation and has the honor to inform that the technical regulations on the maximum authorized dimensions and the maximum authorized weights for certain categories of motor vehicles will come into force in Georgia from June 1, 2019 (See attached annex).

The Consulate General kindly requests the assistance of the BSEC PERMIS to circulate this Note and attached information to the esteemed BSEC Member States.

The Consulate General of Georgia in Istanbul avails itself of this opportunity to renew to the Permanent International Secretariat of the Organization of the Black Sea Economic Cooperation the assurances of its highest consideration.
